**E-MAIL ADDRESS** \_\_\_\_\_

*completed forms should be placed in the offering plate*

**See back for details. . .**

***Details for green sheets...***

**E-lert:** A weekly newsletter sent to your e-mail account. Besides our monthly Messenger newsletter, the "E-lert Newsletter" provides weekly updates in the following areas: a brief devotional thought for the week, information on the upcoming Sunday's preacher, reminders for Sunday School, special events, and Adult Forum, a "Light Bearers" column that tells the story of one of the FLC ministries or member(s) of the congregation. It's free. E-lert is sent every Thursday morning.

**Sunday Morning Small Bus Driver:** No Special license required. Help is needed on Sunday mornings for the 9:30 am worship service to pick up and take home those who are wanting to worship with us that don't have a ride. This ministry is each Sunday one month a year.

**FLC walking group:** Meets here on Tuesday & Thursday afternoons at 4:30 pm. We begin with a short devotion and then walk for about half an hour. Please join us!

**Operation Shield:** Is looking for addresses of soldiers to send care packages or cards to. Whether it be in the states or over seas. Just to let the Soldiers know how much we all support them. Thank you for your support. Operation Shield Committee

**FLC Technical Arts Team:** First Lutheran is looking for persons with computer or video knowledge and interested in being on the Technical Arts Team. Pastor Matt will lead this group.
